#### 14. Whether institutional data submitted to AISHE

Year	Date of Submission
2020	28/02/2022

#### **15.Multidisciplinary / interdisciplinary**

The college nurtures a multicultural socio-academic milieu and offers B.A. in as many as five languages. Accordingly it strives to foster interdisciplinary education The college has opened certificate courses in foreign languages including Spanish, Persian and Arabic and several others including French is in the pipeline. In science stream also, the same spirit of Ibterdisciplinary education has been imbibed mainly through the workshops and hands-on training programmes which the five Departments (Botany, Chemistry, Microbiology, Physics and Zoology) had been organizing since the last nine years under the STAR College programme of DBT.

#### 16.Academic bank of credits (ABC):

It has not been initiated in our college as yet but we will soon register ourselves into NAD and Digilocker. Initiatives in this respect are also neing taken by the Dept. of Higher Education, Govt. of West Bengal.

#### **17.Skill development:**

Keeping in mind the present demand for job market, the college has initiated MOU with other institutions for Academic Collaboration and has launched several certificate courses on foreign languages (Spanish, Persian, Arabic). In addition a certificate course for imparting IT skills to office staffs has also been opened in collaboration with Wipro technologies.

**18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)** 

As we have stated already, the college promotes and imbibes the values of teaching-learning in Indian vernacular languages. Accordingly, teaching in many subjects is carried out parallely in both English as well as in the corresponding vernacular language (Bengali or Urdu). Similarly, online classes are also being conducted in dual languages for the benefit of the students.

#### 19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

In accordance with the guidelined of MHRD, Outcome Based Education has been mandated now in every Higher Educational Institute. Maulana Azad College is also in the process of incorporating Outcome Based Education across all subjects offered to students in both UG and PG levels. The three integral components of Outcome Based Education are Programme Outcomes, Programme Educational Outcomes and Course Outcomes. Course outcomes or Learning outcomes fpr each of the departmets has been clearly defined and uploaded in the college website (under the concerned Departmental home page). The programme outcomes will also soon be uploaded.

**20.Distance education/online education:** 

The college is a recognised study centre under Indira Gandhi National Open University which was established way back in 1990 and since then has estalished itself as one of the biggest study centres in Kolkata running 2 certificate courses, 2 UG programmes, 8 PG programmes and 2 post graduate diploma programmes. Details regarding the programme are there in the college website

#### Part B

#### **CURRICULAR ASPECTS**

#### **1.1 - Curricular Planning and Implementation**

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Regular classes and other academic activities of the college are being held according the schedule following the academic calendar as prescribed by the affiliating university, University of Calcutta. We adhere to the reputation of the college and the teachers go to class with well planned lesson plan, so that the curriculum can be covered within the academic session and we can meet the requirement of the advanced students through the discussion on related topics beyond syllabus.

This academic year being plagued by the lockdown declared by GOI due to COVID19, regular class room teaching at the college could not been held. But, classes were taken through online mode in Google class room, Google meet and other platforms and regular assessment of the students was done in online mode.

This is reflected in the results of the students of all faculties in the end semester university examinations and the placement of the outgoing students in higher studies in reputed organizations in India and abroad.

#### **1.3 - Curriculum Enrichment**

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

- Under the CBCS curriculum, students of every discipline have to compulsorilty take a paper on Environmental studies which consists of theory and field work modules. a project report of the later has to be submitted by the student.
- Additionally, students of Philosophy, Sociology and Economics have to take courses on Professional ethics, Gender, Human Values and sustainability in their CBCS syllabus
- Apart from this, there is little or no scope of introduction of any extra programme with the status of an affiliated college.
- If there is the guideline for the introduction of other programmes by the university we will definitely introduce these.

#### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college assesses the learning levels of the students through internal assessments. On the basis of the assessment slow learners and advanced learners are identified.

Special programmes for advanced learner:

Due to COVID -19 pandemic situation, college was closed so physical programmes could not be conducted.However, the following programmes were conducted through virtual medium.

- Webinars were arranged for advanced learners.
- Advanced learners were encouraged to participate in summer / winter schools organised by various research institutes.
- Revision of topics were done by special techniques such as preparation of mind maps

Special programmes for slow learners:

- Extra doubt clearing classes/remidial classes arearranged for slow learners.
- Recordings of online classes aresent so that they could understand at their own pace
- Apart from classes students are advised to contact teachers whenever they feel any difficulty in understanding through telephone or other electronic media.
- Extra class tests have been taken and evaluated answer scripts was shown to the students such that they can understand and rectify their mistakes.

#### 2.3 - Teaching- Learning Process

Any additional information

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

College provides variety of learning methodologies to the students. However due to COVID 19 pandemic situation, all activities were restricted in online mode only. the following online tools/activities were provided to/carried out with students to ensure experiental and participative learning together with development of problem solving skills

#### 1) Class recordings are provided to students

2) Students are asked to sit for end of the class quizzes through google forms to make them stayattentive during the class.

3) For practical classes, suitable you tube video links of easily understandable demonstrations are sent to students.

4) In case of numerical problems for science departments, extra classes for problem solving was taken and question bank was provided to the students.

5) Webinars and Quiz competitions were organised on regular basis.

6) Students are motivated to register on portals of e-learning like SWAYAM, NPTEL, NDL etc.

7) A large number of students participated in poster competition on the world environment day organised by the college.

File Description	Documents
Upload any additional information	No File Uploaded
Link for additional information	Nil

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT enabled tools have becomethe integral part of the teaching learning process due to COVID 19 sutation. The college took adequate measures so that teaching learning is continued unabatedly during the prolonged span of COVID-19 inflicted lockdown.

1) LMS was introduced in the form of MAC-AIMES cloud for taking online tests and uploading study materials forstudents.

2) A dedicated Gsuite for education was procured by the college specifically for taking online classes and holding after class quizes. The class recordings are stored in the corresponding drives and they were given to absentees or other students to cope up with the learning process.Each teacher has his/her own Google classroom where dissemination of study materials and conduction of tests (through google forms) can be carried out.

3) Apart from these two, faculty members themselves used many online platforms, softwares and pedagogical tools to ensure effective reaching out to students without classroom interaction. Some of these are Zoom platform, Moodle cloud, Acadly etc.

4) Apart from these, teachers are connected 24 x 7 with their students through dedicated whatsapp group for each class.

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

- College has an internal assessment committee to look after the entire process of internal assessment such as fixing dates, giving notice etc. Internal assessment through pen and paper in the class room is the conventionbut in the COVID 19 pandemic situation that could not be done. Internal assessment was conducted through online mode. Question paper was sent through email, students wrote answer at their home within the sheduled time, scanned the answer sripts and sent it back through email or google form.
- Individual departments conducted internal assessments according to the schedule prepared centrally by the committee and displayed in the college website well in advance.Answer scripts wereevaluated within a stipulated time.
- On the basis of marks obtained by students in the internal examination slow learners and advanced learners

wereidentified and specific measures weretaken.

• To keep evaluation process transparent evaluated answer scripts were shown to the students.

#### **3.2 - Innovation Ecosystem**

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The College has constituted Rural Entrepreneurship Development Cell in their campus and has been recognised as a Member of National Rural Entrepreneurship Mission. The college has initiated academic collaboration with several Institutes and Universities for fostering innovative learning as well as nurturing research aptitude in undergraduate students. It has earned the coveted STAR status awarded by the Department of Biotechnology, Govt. of India in the year 2017 as the sole college of Eastern India and now has been recognised by DBT as a mentor Institute for guiding new aspirant institutions. Amongst the Universities with whom the college has established academic tie-ups, is Adamas University which has been selected as a hub for incubation and innovation by BIRAC, DBT. The Department of Microbiology of this college has already applied for a the e-YUVA scheme with enthusiastic UG students and more projects are in the pipeline. However, the college is yet to establish its own incubation centre due to dearth of space.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Every year the College sends a proposal to the Higher Education Department, Govt. of West Bengalfor maintenance of physical and academic resources (such as classrooms, computers, Laboratories, equipments, chemicals, glasswares, books, journalsetc.) and other contingency funds. The HE Department accordingly sanctions funds to the College. After sanction of the fund, it is distributed to the different Departments and the Library according to requirement through a meeting of the Principal with the Head of the Departments and the Librarian. In 2020-21 session, the yearly Govt. fund was sanctioned by the HE Department, however, due to lockdown, it could not be utilized during the said financial year.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, cocurricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

The College has a Students Union which actively organizes various cultural and academic activities of the college. There is active participation by the students in cultural activities like Rabindra Jayanti, Milad-un-Nabi, celebration of birthday of Maulana Abul kalam Azad, Saraswati Puja, Fresher's Welcome, Teacher's Day, etc. All faculty members and staff also actively support, motivate and help the students to organize various events. During the lockdown period (2020-21), many of such events were held exclusively in online mode. The students organized these events in online platforms such as Google Meet, Zoom, etc. with guidance from teachers. Students are motivated by the Faculty members to participate in various co-curricular and extra-curricular activities like quiz competitions, poster competition, debate, speech competition, essay writing, etc. Many students have also emerged as winners in such events held during this period. Thus, by encouraging student participation in co-curricular, extracurricular and administrative activities, the college strives forthe all-round development of the students.

#### 5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development

of the institution through financial and/or other support services

The College is proud to have its Alumni Association i.e. Maulana Azad College Alumni Association Kolkata (MACAAK) comprising of exstudents from different fields of activities. Members of MACAAK includes scientist, civil servants, teachers, literary critics, journalist, political leaders, social activists, engineers, doctors, entrepreneurs etc. In a meeting dated 19.06. 2010, it was resolved that the MACAAK be registered under the West Bengal Societies Registration Act 1961 at the earliest. Prof. Gholam Sarwar, the General Secretary along with Mr. Jaweed Yusuf, Mr. Mozammil Hossain and Mr. Tanwir Ahmed Khan worked hard for the registration and eventually got the association registered with effect from 19.01.2011 vide Regn. No.S/1L/77219. The activities of the Alumni Association include:

1) Organizing Maulana Abul Kalam Azad Memorial Lecture

2)Awardmementos, certificates to the toppers of Arts, Science and Commerce students of the College on College Foundation Day.

3)Adopted the College Garden for its maintenance and beautification.

4)Participates in Counselling for the maintenance of discipline and good academic ambience in the college.

During 2020-21 period, due to extensive lockdown, most of the activities of Alumni Association could not be performed. However, they were scheduled for the next academic session.

#### **GOVERNANCE, LEADERSHIP AND MANAGEMENT**

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Besides the Governing body and IQAC of the college, different academic and administrative committees are formed in every academic session with teachers, students and non-teaching staff as members. The activities of the college are divided and are assigned to the respecteive committees for friutful implementation.

In this year college being under lockdown due to COVID19, the workings of the committees have been hampered, but still have done their job to the level best such that the regular academic and administrative work flow be maintained.

The strategic development plan could not been implemented.

Upload any additional information	<u>View File</u>

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The pattern of work is supervisionary decentralized.

The said academic and administrative committees have the freedom to work on their own, but in consultation with IQAC and the Principal of the college.

The academic departments headed by the seniormost teachers plan the strategy for regular teaching work with a definite schedule and also set the development plan, viz., purchase of equipments, modernization of laboratories and class rooms.

This year every such activities have been done in online mode.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

#### **6.2 - Strategy Development and Deployment**

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Being a government college, development of the college is subjected to the allocation of government fund.

In this pandemic situation, government fund being so scanty we were bound to only some maintenance work.

Even academic exchange with other organization have not been possible.

File Description	Documents
Strategic Plan and deployment documents on the website	No File Uploaded
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

It is a government college. The appointment of teachers and staff and their service conditions are set up by the state government.

The college development and administrative policies, such as implementation of new course, construction of new building or hostel is subjected to government approval.

But, in regard to running of the college, the policies are set by the Principal in consultation with IQAC, Governing body, Teachers' council and senior teachers of the college.

This year we have done it to some extent by meeting with the committees several times in web platform.

#### 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

Both teaching and non-teaching staff are allowed to participate in training and development programmes in phases.

They are given with-pay leave, but we have no option to give financial support to them.

Also some in-house programmes are organised time to time.

```
This year some teachers have participated in online refresher/orientation/faculty development programmes.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Institution itself has no performance appraisal system.

However, every year teachers have to submit performance apprisal to the Higher Education Deparment through the IFMS portal of the state government which is reviewed by the Principal of the college before being sent up to higher authority.

#### 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Being a government college financial audit are done by the government audit and accounts department at regular intervals, but not in every year.

However, there is an internal audit of the resources of every department conducted by the teachers of that department and they report to the Principal. They also assess the requirements of the department and place the demand to Principal.

This year, (external) audit of expenses incurred under Department of Biotechnology, STAR College has been carried out.

#### 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC of the college time to time reviews the academic progress of the college and put advices to the academic departments via Principal.

IQAC also helps the teachers in framing academic development and service promotion. This year, three faculty members from the Department of Zoology and one from the Department of English have received promotion under Career Advancement Scheme.

#### INSTITUTIONAL VALUES AND BEST PRACTICES

#### 7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college is keen towards creation of a congenial workatmosphere for the teaching and non-teaching staff as well as a wholesome academic environment for the students. It has constituted the Internal Complaints Cell (ICC) under the convenorship of a senior lady teacher to look into complaints on gender-issues received from both students and staff (teaching and non-teaching). Any instance of harassment, be it of a sexual, physical or verbal nature, is dealt with severely. Now that the Covid-19 Pandemic has led to imparting education in the online mode, it has become necessary to acquaint the students about the nitty-gritty of cyber-safety too. Students are made aware of desired etiquette during online classes, as well as the sanctity of their group activity on digital platforms like WhatsApp, Google Meet, etc. Perchance any student feels insecure or apprehensive about the words or actions of anyone associated with the college, s/he is offered counselling by the group of experienced teachers who are part of the ICC. There is a Common Room on the 2nd floor of the college designated for girl-students, and one on the 1st floor for boy-students.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The college has a protocol in place for the management of different categories of wastes. The waste materials generated in the various science laboratories are segregated into three separate bins coloured red, blue and green. Defunct electronic gadgets and appliances are disposed of by following a definite procedure under the aegis of a Sub-Committee formed for this purpose. At times, some of the electronic gadgets like copier machines are exchanged for a new product directly from the manufacturer. Solid waste, including garbage from the college canteen, is collected by the conservancy department of the Kolkata Municipal Corporation. There is a proposal to dispose of electronic-waste with the help of West Bengal Electronics Industry Development Corporation Limited (WEBEL).

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college, being an institution of higher education wholly administered by the government, is dedicated towards creating an inclusive environment in all respects. Efforts are made to instil tolerance and harmony amongst students irrespective of their social background. This college, incidentally, is an institute of choice for a sizeable number of students from the minority community, both boys and girls. Keeping in tune with the concept of 'Unity in Diversity', the students participate in large numbers in festivals of diverse communities, be it Saraswati Puja or Iftar and Eid-e-Milad-un-Nabi. Similarly, although the college is located in West Bengal where Bengali is commonly spoken, there are also students with other linguistic origins like Hindi, Urdu, Nepali, etc. Being a government institution, the college charges modest tuition and other fees compared to private institutions of higher education in the city. As such, it caters to several students from the underprivileged and economically weaker sections also. Notwithstanding their socio-economic status, all students are treated at par by the teaching and non-teaching staff of the college.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The college is committed towards inculcating in its students values for being responsible citizens of the country. The Political Science Department of the college also plays a significant role in this respect, encouraging students to participate in debates, quizzes, mock parliaments, and similar programmes which would make them aware of their Fundamental Rights and Duties. Similarly, employees of the college (both teaching and non-teaching staff) are reminded of their responsibilities as public servants. Being a government educational institution, this assumes all the more importance for them as they have to be constantly accountable. The teachers of the college, being employees of West Bengal Education Service and West Bengal Senior Education Service, have to adhere to the duties and responsibilities enshrined in West Bengal Service Rules. As such, integrity in words and actions becomes vital in their interactions with the students and the public at large.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The college observes Independence Day and Republic Day every year with utmost reverence. This year too, these days of national importance were observed with hoisting of the Indian tricolour and singing of the national anthem. Teachers, non-teaching staff and students attend these programmes to pay their respect to the memory of our great freedom fighters. Additionally, the college also celebrates other commemorative days with much enthusiasm. This year, our college observed World Environment Day on 5 June 2020 with the planting of saplings by the Principal, ably supported by teachers of the Botany Department. Students also participated enthusiastically on this occasion. The college has been recognised as a DBT-Star institution of higher education for the last few years, and consequently, several science departments celebrate National Science Day every academic session. This year too, science departments like Physics, Chemistry and Microbiology organised webinars on 28 February 2021 to instil scientific temperament in the minds of the students and other participants.

#### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC

format provided in the Manual.

#### I. MAC-Cloud Learning Management System (LMS) for Online Teaching-Learning:

Maulana Azad College, a premier institution of higher education in the city of Kolkata, was one of the first colleges in West Bengal to have a Learning Management System (LMS). Under this LMS named MAC-Cloud, all teachers of the college were allotted their separate accounts with their individual login id. and password sent to their registered mobile phones as One Time Password (OTP) which remained valid for 24 hours. This turned out to be very useful for the teachers for uploading study materials as well as conducting periodic assignments. Students logged into MAC-Cloud using their Student Id. and accessed the files uploaded by the teachers. They also answered short and broad questions, as also Multiple-Choice-Questions (MCQ) for online assessments.

#### II. Rainwater Harvesting:

Rainwater Harvesting is a tried-and-tested practice across the world for conserving rainwater and recycling it. The Principal of Maulana Azad College took initiative to harvest rainwater, and held initial talks with the Public Works Department of the Government of West Bengal. Following this, the PWD installed the requisite equipment in the campus of the college boys' hostel (Baker Government Hostel) for conservation of rainwater. The rainwater thus collected was recycled for non-palatable uses like water in the bathroom, wash-basins, washing, etc. Apart from this, a portion of the rainwater was fed into the earth through 'Groundwater recharge' in order to increase the groundwater table of the city of Kolkata.

#### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust

#### within 200 words

Maulana Azad College has the distinction of being the only coeducational government college affiliated to the University of Calcutta offering 6 (six) language subjects - Arabic, Bengali, English, Persian, Sanskrit and Urdu. These six language departments are the mainstay of the Arts stream in the college, and contribute significantly to the promotion of arts and culture as well. The college prides on preserving ancient and rare literary texts and manuscripts in Arabic, English, Persian, Sanskrit and Urdu. The crowning glory of this rich heritage is a manuscript of the Ain-i-Akbari ["Administration of Akbar"], a 16th century document recording the administration of the Mughal empire under emperor Akbar, written in Persian language by his court historian Abul Fazl. Incidentally, this text constitutes the 3rd volume of the famous Akbarnama ["Account of Akbar"] written by the same writer.

#### Part B

#### **CURRICULAR ASPECTS**

#### **1.1 - Curricular Planning and Implementation**

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Regular classes and other academic activities of the college are being held according the schedule following the academic calendar as prescribed by the affiliating university, University of Calcutta.

We adhere to the reputation of the college and the teachers go to class with well planned lesson plan, so that the curriculum can be covered within the academic session and we can meet the requirement of the advanced students through the discussion on related topics beyond syllabus.

This academic year being plagued by the lockdown declared by GOI due to COVID19, regular class room teaching at the college could not been held. But, classes were taken through online mode in Google class room, Google meet and other platforms and regular assessment of the students was done in online mode.

This is reflected in the results of the students of all faculties in the end semester university examinations and the placement of the outgoing students in higher studies in reputed organizations in India and abroad.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The college is affiliated to University of Calcutta and the academic calendar as prescribed by the university was strictly followed. Continuous assessment of the students through internal examinations were held according to the routine prescribed by the university.Besides that, unit tests and oral presentation by the students were organized by some of the course teachers for proper evaluation and mentoring of the students.All these academic activites were held in online mode as the college was under lockdown.

#### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The college assesses the learning levels of the students through internal assessments. On the basis of the assessment slow learners and advanced learners are identified.

Special programmes for advanced learner:

Due to COVID -19 pandemic situation, college was closed so physical programmes could not be conducted.However, the following programmes were conducted through virtual medium.

- Webinars were arranged for advanced learners.
- Advanced learners were encouraged to participate in summer / winter schools organised by various research institutes.
- Revision of topics were done by special techniques such as preparation of mind maps

Special programmes for slow learners:

- Extra doubt clearing classes/remidial classes arearranged for slow learners.
- Recordings of online classes aresent so that they could understand at their own pace
- Apart from classes students are advised to contact teachers whenever they feel any difficulty in understanding through telephone or other electronic media.
- Extra class tests have been taken and evaluated answer

#### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

College provides variety of learning methodologies to the students. However due to COVID 19 pandemic situation, all activities were restricted in online mode only. the following online tools/activities were provided to/carried out with students to ensure experiental and participative learning together with development of problem solving skills

1) Class recordings are provided to students

2) Students are asked to sit for end of the class quizzes through google forms to make them stayattentive during the class.

3) For practical classes, suitable you tube video links of easily understandable demonstrations are sent to students.

4) In case of numerical problems for science departments, extra classes for problem solving was taken and question bank was provided to the students.

5) Webinars and Quiz competitions were organised on regular

basis.

6) Students are motivated to register on portals of e-learning like SWAYAM, NPTEL, NDL etc.

7) A large number of students participated in poster competition on the world environment day organised by the college.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT enabled tools have becomethe integral part of the teaching learning process due to COVID 19 sutation. The college took adequate measures so that teaching learning is continued unabatedly during the prolonged span of COVID-19 inflicted lockdown.

1) LMS was introduced in the form of MAC-AIMES cloud for taking online tests and uploading study materials forstudents.

2) A dedicated Gsuite for education was procured by the college specifically for taking online classes and holding after class quizes. The class recordings are stored in the corresponding drives and they were given to absentees or other students to cope up with the learning process.Each teacher has his/her own Google classroom where dissemination of study materials and conduction of tests (through google forms) can be carried out.

3) Apart from these two, faculty members themselves used many online platforms, softwares and pedagogical tools to ensure effective reaching out to students without classroom interaction. Some of these are Zoom platform, Moodle cloud, Acadly etc.

4) Apart from these, teachers are connected 24 x 7 with their students through dedicated whatsapp group for each class.

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

- College has an internal assessment committee to look after the entire process of internal assessment such as fixing dates, giving notice etc. Internal assessment through pen and paper in the class room is the conventionbut in the COVID 19 pandemic situation that could not be done. Internal assessment was conducted through online mode. Question paper was sent through email, students wrote answer at their home within the sheduled time, scanned the answer sripts and sent it back through email or google form.
- Individual departments conducted internal assessments according to the schedule prepared centrally by the committee and displayed in the college website well in advance.Answer scripts wereevaluated within a stipulated time.
- On the basis of marks obtained by students in the

internal examination slow learners and advanced learners wereidentified and specific measures weretaken.

• To keep evaluation process transparent evaluated answer scripts were shown to the students.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college follows the syllabi laid down by the affiliating university (University of Calcutta) for all the programme and courses. Teaching plan for each programme and courses was prepared by each department at the begining of the semester and communicated to the students. The Head of the Institution (Principal) in coordination with the heads of the departments monitor the execution and it's timely complition of the courses. The final outcome of the course is evaluated through the performance of the students that is analysed at the end of each semester examination.

# **3.2 - Innovation Ecosystem**

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The College has constituted Rural Entrepreneurship Development Cell in their campus and has been recognised as a Member of National Rural Entrepreneurship Mission. The college has initiated academic collaboration with several Institutes and Universities for fostering innovative learning as well as nurturing research aptitude in undergraduate students. It has earned the coveted STAR status awarded by the Department of Biotechnology, Govt. of India in the year 2017 as the sole college of Eastern India and now has been recognised by DBT as a mentor Institute for guiding new aspirant institutions. Amongst the Universities with whom the college has established academic tie-ups, is Adamas University which has been selected as a hub for incubation and innovation by BIRAC, DBT. The Department of Microbiology of this college has already applied for a the e-YUVA scheme with enthusiastic UG students and more projects are in the pipeline. However, the college is yet to

#### establish its own incubation centre due to dearth of space.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Every year the College sends a proposal to the Higher Education Department, Govt. of West Bengalfor maintenance of physical and academic resources (such as classrooms, computers, Laboratories, equipments, chemicals, glasswares, books, journalsetc.) and other contingency funds. The HE Department accordingly sanctions funds to the College. After sanction of the fund, it is distributed to the different Departments and the Library according to requirement through a meeting of the Principal with the Head of the Departments and the Librarian. In 2020-21 session, the yearly Govt. fund was sanctioned by the HE Department, however, due to lockdown, it could not be utilized during the said financial year.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

The College has a Students Union which actively organizes various cultural and academic activities of the college. There

is active participation by the students in cultural activities like Rabindra Jayanti, Milad-un-Nabi, celebration of birthday of Maulana Abul kalam Azad, Saraswati Puja, Fresher's Welcome, Teacher's Day, etc. All faculty members and staff also actively support, motivate and help the students to organize various events. During the lockdown period (2020-21), many of such events were held exclusively in online mode. The students organized these events in online platforms such as Google Meet, Zoom, etc. with guidance from teachers. Students are motivated by the Faculty members to participate in various co-curricular and extra-curricular activities like quiz competitions, poster competition, debate, speech competition, essay writing, etc. Many students have also emerged as winners in such events held during this period. Thus, by encouraging student participation in co-curricular, extra-curricular and administrative activities, the college strives for he all-round development of the students.

## 5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The College is proud to have its Alumni Association i.e. Maulana Azad College Alumni Association Kolkata (MACAAK) comprising of ex-students from different fields of activities. Members of MACAAK includes scientist, civil servants, teachers, literary critics, journalist, political leaders, social activists, engineers, doctors, entrepreneurs etc. In a meeting dated 19.06. 2010, it was resolved that the MACAAK be registered under the West Bengal Societies Registration Act 1961 at the earliest. Prof. Gholam Sarwar, the General Secretary along with Mr. Jaweed Yusuf, Mr. Mozammil Hossain and Mr. Tanwir Ahmed Khan worked hard for the registration and eventually got the association registered with effect from 19.01.2011 vide Regn. No.S/1L/77219. The activities of the Alumni Association include:

1) Organizing Maulana Abul Kalam Azad Memorial Lecture

2)Awardmementos, certificates to the toppers of Arts, Science and Commerce students of the College on College Foundation Day.

3)Adopted the College Garden for its maintenance and beautification.

4)Participates in Counselling for the maintenance of discipline and good academic ambience in the college.

During 2020-21 period, due to extensive lockdown, most of the activities of Alumni Association could not be performed. However, they were scheduled for the next academic session.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

#### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Besides the Governing body and IQAC of the college, different academic and administrative committees are formed in every academic session with teachers, students and non-teaching staff as members. The activities of the college are divided and are assigned to the respecteive committees for friutful implementation.

In this year college being under lockdown due to COVID19, the workings of the committees have been hampered, but still have done their job to the level best such that the regular academic and administrative work flow be maintained.

The	strategic	development	plan	could	not	been	implemented.
-----	-----------	-------------	------	-------	-----	------	--------------

Upload any additional information	<u>View File</u>

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The pattern of work is supervisionary decentralized.

The said academic and administrative committees have the freedom to work on their own, but in consultation with IQAC and the Principal of the college.

The academic departments headed by the seniormost teachers plan the strategy for regular teaching work with a definite schedule and also set the development plan, viz., purchase of equipments, modernization of laboratories and class rooms.

This year every such activities have been done in online mode.

File Description	Documents

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Being a government college, development of the college is subjected to the allocation of government fund.

In this pandemic situation, government fund being so scanty we were bound to only some maintenance work.

Even academic exchange with other organization have not been possible.

Strategic Plan and deployment documents on the website	No File Uploaded
Paste link for additional information	Nil
Upload any additional information	No File Uploaded

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

It is a government college. The appointment of teachers and staff and their service conditions are set up by the state government.

The college development and administrative policies, such as implementation of new course, construction of new building or hostel is subjected to government approval.

But, in regard to running of the college, the policies are set by the Principal in consultation with IQAC, Governing body, Teachers' council and senior teachers of the college.

This year we have done it to some extent by meeting with the committees several times in web platform.

## 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

Both teaching and non-teaching staff are allowed to participate in training and development programmes in phases.

They are given with-pay leave, but we have no option to give financial support to them.

Also some in-house programmes are organised time to time.

This year some teachers have participated in online refresher/orientation/faculty development programmes.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Institution itself has no performance appraisal system.

However, every year teachers have to submit performance

apprisal to the Higher Education Deparment through the IFMS portal of the state government which is reviewed by the Principal of the college before being sent up to higher authority.

#### 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Being a government college financial audit are done by the government audit and accounts department at regular intervals, but not in every year.

However, there is an internal audit of the resources of every department conducted by the teachers of that department and they report to the Principal. They also assess the requirements of the department and place the demand to Principal.

This year, (external) audit of expenses incurred under Department of Biotechnology, STAR College has been carried out.

# 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC of the college time to time reviews the academic progress of the college and put advices to the academic departments via Principal.

IQAC also helps the teachers in framing academic development and service promotion. This year, three faculty members from the Department of Zoology and one from the Department of English have received promotion under Career Advancement Scheme.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

This year all the academic activities have been done in online mode.

The learning outcomes could not been assessed properly.

However, the studets performed fairly in the semester examinations and some passout students have joined reputed organizations.

It is the reflection of good academic ambience of the college.

# INSTITUTIONAL VALUES AND BEST PRACTICES

#### 7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college is keen towards creation of a congenial workatmosphere for the teaching and non-teaching staff as well as a wholesome academic environment for the students. It has constituted the Internal Complaints Cell (ICC) under the convenorship of a senior lady teacher to look into complaints on gender-issues received from both students and staff (teaching and non-teaching). Any instance of harassment, be it of a sexual, physical or verbal nature, is dealt with severely. Now that the Covid-19 Pandemic has led to imparting education in the online mode, it has become necessary to acquaint the students about the nitty-gritty of cyber-safety too. Students are made aware of desired etiquette during online classes, as well as the sanctity of their group activity on digital platforms like WhatsApp, Google Meet, etc. Perchance any student feels insecure or apprehensive about the words or actions of anyone associated with the college, s/he is offered counselling by the group of experienced teachers who are part of the ICC. There is a Common Room on the 2nd floor of the college designated for girl-students, and one on the 1st floor for boy-students.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

The college has a protocol in place for the management of different categories of wastes. The waste materials generated in the various science laboratories are segregated into three separate bins coloured red, blue and green. Defunct electronic gadgets and appliances are disposed of by following a definite procedure under the aegis of a Sub-Committee formed for this purpose. At times, some of the electronic gadgets like copier machines are exchanged for a new product directly from the manufacturer. Solid waste, including garbage from the college canteen, is collected by the conservancy department of the Kolkata Municipal Corporation. There is a proposal to dispose of electronic-waste with the help of West Bengal Electronics Industry Development Corporation Limited (WEBEL).

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The college, being an institution of higher education wholly administered by the government, is dedicated towards creating an inclusive environment in all respects. Efforts are made to instil tolerance and harmony amongst students irrespective of their social background. This college, incidentally, is an institute of choice for a sizeable number of students from the minority community, both boys and girls. Keeping in tune with the concept of 'Unity in Diversity', the students participate in large numbers in festivals of diverse communities, be it Saraswati Puja or Iftar and Eid-e-Milad-un-Nabi. Similarly, although the college is located in West Bengal where Bengali is commonly spoken, there are also students with other linguistic origins like Hindi, Urdu, Nepali, etc. Being a government institution, the college charges modest tuition and other fees compared to private institutions of higher education in the city. As such, it caters to several students from the underprivileged and economically weaker sections also. Notwithstanding their socio-economic status, all students are

# treated at par by the teaching and non-teaching staff of the college.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The college is committed towards inculcating in its students values for being responsible citizens of the country. The Political Science Department of the college also plays a significant role in this respect, encouraging students to participate in debates, quizzes, mock parliaments, and similar programmes which would make them aware of their Fundamental Rights and Duties. Similarly, employees of the college (both teaching and non-teaching staff) are reminded of their responsibilities as public servants. Being a government educational institution, this assumes all the more importance for them as they have to be constantly accountable. The teachers of the college, being employees of West Bengal Education Service and West Bengal Senior Education Service, have to adhere to the duties and responsibilities enshrined in West Bengal Service Rules. As such, integrity in words and actions becomes vital in their interactions with the students and the public at large.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The college observes Independence Day and Republic Day every year with utmost reverence. This year too, these days of national importance were observed with hoisting of the Indian tricolour and singing of the national anthem. Teachers, nonteaching staff and students attend these programmes to pay their respect to the memory of our great freedom fighters. Additionally, the college also celebrates other commemorative days with much enthusiasm. This year, our college observed World Environment Day on 5 June 2020 with the planting of saplings by the Principal, ably supported by teachers of the Botany Department. Students also participated enthusiastically on this occasion. The college has been recognised as a DBT-Star institution of higher education for the last few years, and consequently, several science departments celebrate National Science Day every academic session. This year too, science departments like Physics, Chemistry and Microbiology organised webinars on 28 February 2021 to instil scientific temperament in the minds of the students and other participants.

#### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

I. MAC-Cloud Learning Management System (LMS) for Online Teaching-Learning:

Maulana Azad College, a premier institution of higher education in the city of Kolkata, was one of the first colleges in West Bengal to have a Learning Management System (LMS). Under this LMS named MAC-Cloud, all teachers of the college were allotted their separate accounts with their individual login id. and password sent to their registered mobile phones as One Time Password (OTP) which remained valid for 24 hours. This turned out to be very useful for the teachers for uploading study materials as well as conducting periodic assignments. Students logged into MAC-Cloud using their Student Id. and accessed the files uploaded by the teachers. They also answered short and broad questions, as also Multiple-Choice-Questions (MCQ) for online assessments.

#### II. Rainwater Harvesting:

Rainwater Harvesting is a tried-and-tested practice across the world for conserving rainwater and recycling it. The Principal of Maulana Azad College took initiative to harvest rainwater, and held initial talks with the Public Works Department of the Government of West Bengal. Following this, the PWD installed the requisite equipment in the campus of the college boys' hostel (Baker Government Hostel) for conservation of rainwater. The rainwater thus collected was recycled for non-palatable uses like water in the bathroom, wash-basins, washing, etc. Apart from this, a portion of the rainwater was fed into the earth through 'Groundwater recharge' in order to increase the

#### groundwater table of the city of Kolkata.

#### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Maulana Azad College has the distinction of being the only coeducational government college affiliated to the University of Calcutta offering 6 (six) language subjects - Arabic, Bengali, English, Persian, Sanskrit and Urdu. These six language departments are the mainstay of the Arts stream in the college, and contribute significantly to the promotion of arts and culture as well. The college prides on preserving ancient and rare literary texts and manuscripts in Arabic, English, Persian, Sanskrit and Urdu. The crowning glory of this rich heritage is a manuscript of the Ain-i-Akbari ["Administration of Akbar"], a 16th century document recording the administration of the Mughal empire under emperor Akbar, written in Persian language by his court historian Abul Fazl. Incidentally, this text constitutes the 3rd volume of the famous Akbarnama ["Account of Akbar"] written by the same writer.

7.3.2 - Plan of action for the next academic year

The college has plans to introduce certificate courses in subjects like Communicative English, Spanish, Basic Computer Training, and GST with Tally (for B.Com. students). These courses would be open to students of our college at a muchreduced cost compared to the market rates. Classes would be held outside the college hours, and many students have already indicated their interest for such courses.

In order to bolster the confidence of girl-students, the college has decided to give Self-Defence Training to them in collaboration with Kolkata Police under the 'Sukanya' project. Preliminary discussion was already held with representatives of Kolkata Police who visited the college in March 2020, and the training would commence as soon as the college reopens after the COVID-19 Pandemic.

There is a proposal to install a digital notice board in the college premises for interactive/ real time publication of emergency notices/ information to the students.

Keeping in minding the increasing thrust on fostering research aptitude amongst undergraduate students and also to strengthen the internal research ambience, the college plans to open a certificate course on research methodology in collaboration with Adamas University.

Complete upgradation and face-lifting of the Central Instrument Facility is in the pipeline to augment the research infrastructure of the college.

The college also intends to contribute to the educational and cultural development of the rural populace by adopting a village in the near future.
