Seminar Theme Overview

Colonial Bengal (mid-18th to mid-20th century) experienced sweeping changes under British rule, shaping its political, economic, social, cultural, intellectual, and literary landscapes. This seminar will explore:

- **Politics & Governance:** From East India Company to the Crown
- **Economy & Society:** Land revenue, trade, and new social classes
- **Culture & Identity:** Bengal Renaissance and identity formation
- **Intellectual & Literary Landscape:** Colonial thought in literature, philosophy, and education
- **Resistance:** Movements challenging British authority
